Ampelopsis

quinquefolia (Virginia Creeper).

Rapid growing hardy vine suitable for covering trellises, stone walls or verandas.

30	2 Yr. No. 1.....	\$1.50
30	2 Yr. No. 2.....	1.00

Ampelopsis (Continued)

tricuspidata (Veitchii) (Boston Ivy).

Small blue berries. Self clinging to brick or stone walls. Rapid growing.

300	2 Yr. Medium.....	\$1.50	\$12.50
2000	2 Yr. Light.....	.90	7.00

See also Seedlings.

Aristolochia

sipho (Dutchman's Pipe).

Large, heart-shaped dark green leaves. Small purple flowers like curve-stemmed pipes.

40	2 Yr. No. 1 (Grown from seedlings).....	2.50
80	2 Yr. No. 1 2 to 3 ft. (Grown from grafts).....	6.00

Bignonia

radicans (Trumpet Vine).

Upright growing. Trumpet shaped, scarlet flowers.

200	2 Yr. No. 2.....	1.00	8.00
-----	------------------	------	------

Celastrus

orbiculatus (Oriental Bittersweet).

Rapid growing, twining vine. Bright orange berries with scarlet seeds in Autumn.

200	2 Yr. No. 1.....	2.00	15.00
100	2 Yr. No. 2.....	1.20	10.00

scandens (American Bittersweet).

An old fashioned vine. Yellow flowers; red and orange berries.

450	2 Yr. No. 1.....	2.00	15.00
550	2 Yr. No. 2.....	1.20	10.00

See also Lining Out Stock.

Clematis

Hybrids (Large Flowering Clematis).

Duchess of Edinburgh.

Double pure white flowers. Not unlike a gardenia. Blooms on 1 year wood, therefore prune only old wood in February or March. A good Pillar Clematis.

20	2 Yr. No. 1.....	4.00
----	------------------	------

Henryi.

Large white flowers, often measuring 8 inches across. Henryi is outstanding for its quality of bloom rather than its quantity.

60	2 Yr. No. 1.....	4.00
----	------------------	------

CLIMBING VINES (Continued)

communis aurea (Golden Prostrate Juniper).

Dwarf mat-like plant with bright golden yellow foliage.

10	18 to 24 in. spread.....	10.00	
20	15 to 18 in. spread.....	7.50	

communis hibernica (Irish Juniper).

Eventual height 8 ft. Slender pyramidal habit. Blue green foliage.

100	2 to 3 ft.....	12.50	\$100.00
400	18 to 24 in.....	10.00	75.00
40	15 to 18 in.....	7.50	65.00

EVERGREENS (Continued)

Per 10 Per 100

Juniperus (Continued)

communis suecica (Swedish Juniper).

Eventual height 8 ft. Erect compact pyramidal habit. Light green foliage, tinged silver.

30	18 to 24 in.....	\$ 8.50	
10	15 to 18 in.....	6.50	

excelsa stricta (Spiny Greek Juniper).

Very dwarf, broad pyramidal habit. Well adapted for foundation plantings.

80	18 to 24 in.....	17.50	
90	15 to 18 in.....	12.50	\$100.00
100	12 to 15 in.....	7.50	65.00

Picea

canadensis (White Spruce).

Large tree. Similar to Picea Excelsa but lighter colored foliage.

30	18 to 24 in.....	10.00	
----	------------------	-------	--

excelsa (Norway Spruce).

Large tree. Dark green foliage. Quick growing windbreaker or hedge.

300	18 to 24 in.....	7.00	60.00
-----	------------------	------	-------

pungens (Green Colorado Spruce).

Large tree. Foliage varies from blue green to dark green.

80	18 to 24 in.....	7.50	
20	15 to 18 in.....	6.00	

pungens Glauca (Blue Colorado Spruce).

Selected form of Picea Pungens. Light blue green foliage.

40	18 to 24 in.....	15.00	
30	15 to 18 in.....	10.00	

Spruce — See Picea.

Taxus

cuspidata (Japanese Yew).

Very dark green glossy foliage. Spreading habit.

200	15 to 18 in. spread.....	16.50	150.00
200	12 to 15 in. spread.....	12.50	100.00

Thuja

occidentalis (American Arbor Vitae).

Slender, with broad base. Bronzy in winter coloring.

200	18 to 24 in.....	6.50	50.00
100	15 to 18 in.....	5.00	40.00

occidentalis nigra (Dark American Arborvitae).

Eventually rather large tree. Broad pyramidal habit. Improved form of Thuja occidentalis. Very dark green foliage.

160	18 to 24 in.....	10.00	75.00
30	15 to 18 in.....	6.00	

occidentalis compacta (Parson's Arborvitae).

Eventual height 5 ft. Almost globe shape. Bright green foliage

40	15 to 18 in.....	9.00	75.00
500	12 to 15 in.....	6.00	50.00

occidentalis douglasii spiralis (Spiralis Arborvitae).

Eventual height 20 ft. Dense pyramidal form. Dark green foliage is twisted with a spiral effect.

30	2 to 3 ft.....	13.50	
10	18 to 24 in.....	8.50	

EVERGREENS (Continued)

Per 10 Per 100

Thuja (Continued)

occidentalis hoveyi (Hovey Arborvitae).

Eventual height 5 ft. Dense dwarf oval shape. Bright green foliage.

20	15 to 18 in.....	9.00	
100	12 to 15 in.....	6.00	\$50.00

occidentalis pyramidalis (Pyramidal Arborvitae).

Eventual height 20 ft. Narrow compact pyramidal form. Deep green foliage throughout the year.

200	2 to 3 ft.....	13.50	125.00
200	18 to 24 in.....	8.50	75.00

PHLOX

Single plants, transplanted, individually grown in the nursery row. Worth double divisions.

		Per 10	Per 100

160	Sunshine. Pink. Fine deep shade.....	.80	6.00
160	Thor. Rich salmon pink of large size and great profusion of bloom.....	.80	6.00

PERENNIALS

Seed is sown in frames, then transplanted in sterilized soil; again put under glass and the second time transplanted to the field where they are grown under irrigation. This is the reason we can grow larger and much stronger plants than the ordinary run of perennials.

Size mentioned is height eventually attained.

Key to classification:

b Bedding or Border plant.

c Cut-flower type.

r Rock Garden plant.

Per 10 Per 100

Achillea (Milfoil or Yarrow)

b	800	Millefolium roseum (Rosy Milfoil)	\$.80	\$6.00

TERMS AND CONDITIONS OF SALE

This List cancels all former quotations, and is published contingent on all agreements and contracts being made subject to stock being unsold upon receipt of order and subject to unforeseen or unavoidable crop losses.

The Prices are wholesale and apply only to wholesale quantities — are based on present market conditions and subject to change without notice.

Terms: 60 days net from date of invoice. Interest at 6% per annum to be paid after date of maturity. C. O. D. shipments to be accompanied by 25% of face amount of order. Cash, security or satisfactory references are required from unknown parties.

We Do Not Break Bundles. All orders must be made up in 10 of a variety or multiples of 10, except Evergreens, Ornamental Trees and Perennials.

Limited Liability or Non-Warranty. No warranty as to productiveness or life of the stock we sell is expressed or implied. It is mutually agreed that our liability for untruthfulness to variety name is limited to free replacement or refund of purchase price, such adjustment to constitute full and complete restitution for such damages.

Shipping. We welcome customers' instructions regarding shipping. In the absence of definite instructions we will use our own judgment, with distinct understanding that it is without responsibility on our part. All shipments become property of and travel at the risk of the purchaser.

Boxes will be charged at the rate listed below.

	10 ft.	8 ft.	6 ft.
30 in.....	\$4.00	\$3.50	\$3.00
24 in.....	3.35	2.85	2.35
20 in.....	3.00	2.50	2.00
18 in.....	2.75	2.25	1.75

Larger or smaller boxes at proportionate rate—Double paper lining addition at cost. **Bales** charged at actual cost.

Claims for shortages, unsatisfactory stock or for any cause whatsoever, to be entered, must be made in writing direct to the home office within five days from receipt of shipment.

Correspondents are requested to use their business letterhead to identify them as being entitled to wholesale prices. We do not quote prices to retail buyers.

Location. 9 miles East of Hartford, Conn., on route 6 — 25 miles South of Springfield, Mass., on route 83. One of our automobiles will gladly meet wholesale visitors, coming by train, bring them to Manchester for inspection of our establishment and return them to Hartford or Springfield at their convenience. Visitors cordially invited and genuinely welcome
